Comments		

18. **Signature of Applicant**

I declare under penalty of perjury that all statements made in this application are true and correct, and I agree and understand that any misstatements of material facts herein will cause forfeiture on my part of all rights under the laws of California relating to clinical laboratories.

Applicant's signature (Please use blue ink.)	Date

The Family Code, Section 17520, requires Laboratory Field Services to collect social security numbers from all applicants. All items are mandatory and the information requested must be furnished. The information is used to properly identify an applicant and to determine an individual's eligibility for certification as authorized under the provisions of the Business and Professions Code, Division 2, Chapter 3, and the California Code of Regulations, Title 17, Chapter 2. Failure to provide this information will preclude acceptance of your application.

DO NOT WRITE IN THIS SECTION.
